NUR 480	Role Transitions II	4 credits
NUR 485	Role Transitions III	1 credit
NUR 490	RT Capstone**	4 credits
		17 credits

*denotes lab component included | **denotes simulation/clinical component included | ***denotes lab/simulation/clinical component included

Licensure, Background Checks and Drug Screening: To comply with terms of affiliating agreements with William Jewell College and clinical agencies, any student who has contact with patients (or residents) must disclose any criminal convictions and agree to be subject to criminal background check and drug screening by state or private investigative agencies. Please see the Nursing Program website for the background check and drug screen policies. Additionally, state certification, registration and/or licensing applications may require such disclosure. Nursing program applicants should be aware that the Missouri State Board of Nursing may refuse to issue a license for specific reasons related to moral turpitude, intemperate use of alcohol or drugs, or conviction of a crime. Admission to and graduation from the nursing program does not ensure eligibility for state licensure. Any candidate for licensure who has been charged or convicted of a misdemeanor or a felony will be required to submit documentation of the court proceedings for that charge or conviction to the State Board of Nursing of the state in which the licensure is sought. The Missouri State Board of Nursing determines who is eligible to take the licensing examination. Questions may be directed to the Missouri State Board of Nursing, 3650 Missouri Blvd, Jefferson City, MO 65102 (573-751-0080). For additional information, see www.pr.mo.gov/nursing.asp.

Total number of hours needed for BS Degree: 120

For further information contact:

Gina Mumpower-Turner Assistant Director, Transfer Admissions • Office of Admission, Box 1002

500 College Hill - Liberty, MO 64068-1896 • Phone: 816-415-5047 FAX: 816-415-5040 • E-mail Address: mumpower-turnerg@william.jewell.edu • Website Address: www.jewell.edu

Students must have a cumulative GPA of 2.8 with a record of successful academic progress with C or better in all general education prerequisites, a B- or better in all Science prerequisites (one C may be considered), and a B- or better in all transferred nursing courses. Admission to the nursing program is required to enroll in NUR 232.

See College Catalog for specified prerequisite courses. (*Subject to revision at the discretion of the Department of Nursing.)*
